Department Head
Department of Teacher Education
Visca, Baybay City, Leyte

Dear Ma'am:

I am writing to apply for the position of Instructor in your department. I am a graduate of Master of Education major in Chemistry with minor in Biology at the Visayas State University in 2019. I have also taken 18 units in Education in the Teacher's Certificate Program of Saint Peter's College of Ormoc. I have a PRC license in Chemical Engineering, having finished my bachelor's degree in the University of San Carlos.

I have been teaching for over 15 years now, having started my teaching career in 2008. I started working at VSU in 2016, gaining 8 years teaching experience to high school and college students in this university, under the VSU Integrated High School and the Department of Pure and Applied Chemistry

I believe that my experience in teaching chemistry, biology, mathematics, and computer add to my being a competitive candidate for my applied position. I have enclosed my resume' for additional reference.

I look forward to hearing from you soon.

Very truly yours,

GIRLINA PASCUAL GOGO
