Sir/Madam:

Greetings!

Please consider this letter as my intent to re-apply as a part-time instructor at your established institution this coming First semester Year 2024-2025. I believed that I have gained lot of experience in this field and hoping to gain more. I will assure you that I will continue to give my inner most service in this institution.

Looking forward to still have fruitful years working with you. Thank you for your kind attention and consideration.

Sincerely,
