Notre Dame of Abuyog, Inc.

March, 2014 Secondary Education

- Consistent Honors student, graduated as 2nd honorable mention

B.V. Closa Central School

March, 2010 Primary Education

- Consistent Honors student, graduated with high honors

EXPERIENCE

F.A.S.T. LABORATORIES

Laboratory Chemist November 06, 2018 – August 16, 2021

- Performed the required chemical and physical analyses according to specified methods and procedures to produce accurate, timely, and relevant test results.
- Participated and passed international proficiency tests also CRM's from FNRI
- Endorsed and Recommended DENR signatory.
- Laboratory Equipment Coordinator

Implements system according to ISO/IEC 17025, procedures and guidelines on Quality, Health, Safety and Environment.

TRAININGS ATTENDED

► INTERNAL TRAININGS:

- Physico-Chemical test parameters in food, feeds, soil, raw materials, and other sample matrices for FDA, DENR, DOH compliance
- Proximate Analyses in food and others samples (Moisture, Ash, Fat, Protein, Carbohydrates)
- Physico-Chemical test parameters in water and wastewater including;
- Heavy metals/ Minerals (Pb, Cd, Hg, Ca, Cu, Co, Ni, Mg, Mn, Fe, Na, Zn, Ag)
- Biochemical Oxygen Demand
- Chemical Oxygen Demand
- Oil and Grease
- Ammonia as Nitrogen
- Nitrate as Nitrogen
- Phosphate as Phosphorus
- MBAS
- Total Suspended Solids
- Dissolved Oxygen
- pH, Temperature, residual chlorine, conductivity, hydrogen sulfide, true/apparent color, taste, odor, turbidity, acidity, alkalinity
- Total Dissolved Solids
- Hardness, Salinity
- Chloride
- Sulfate
- Aluminum
- Nitrite
- Fluoride

- Silica
- Boron
- Cyanide
- Recommended signatory by DENR (April, 2021)
- Interpreting and Using Measurement Results and Calibration Interval Determination (May 8, 2021)
- ISO/IEC 17025:2017 AWARENESS (October, 2020)
- International Symposium on Metrology: DOST-National Metrology Laboratory of the Philippines (June 20, 2019)
- Participated Undergraduate Research Symposium 2018 by presenting my paper entitled: "Carbohydrate Profile of Three Varieties of Taro (*Colocasia esculenta* (L.) Schott) Corm" held in the University of the Philippines
- Participated as a delegate in the National Biotechnology Summit 2018 held in University of the Philippines Los Banos

SKILLS

- Able to perform different test parameters on a number of sample matrices.
- Able to produce accurate and precise results from the analyses conducted.
- Able to solve problems encountered on analyses.
- Able to follow good laboratory practices.
- Knowledgeable on ISO: ISE 17025.
