Ma'am:

Good day!

I am writing to express my interest to apply for a part-time teaching position at the tertiary level of your beloved institution. With that, it would be an honor to impart my teaching expertise as I affirm that my knowledge, skills, and competency in teaching would greatly benefit your educational program.

As an educator, it is my role to impart knowledge to my students, motivate them and hone them to develop and reach their optimum level of excellence. Other than that, my goal is to provide an encouraging and interactive learning environment where students will trust their idea and foster self-confidence that will make them realize their full potential.

I am enthusiastic to teach and looking forward to learning new skills that would help me grow as a professional individual while simultaneously preparing my students to achieve success in all endeavors set before them.

Attached herewith is my curriculum vitae, a copy of my license, diploma, Transcript of Records, and certificates for your reference. Should you find my qualifications adequate, I am willing to call up for an interview at your most convenient time. Thank you for your time and consideration.

Sincerely,

Angelle A. Bahin, LPT
