Mr. MARLON TAMBIS

Director PhilRootcrops

Dear Mr. Tambis,

I am writing to express my interest in the Utility Worker/Janitorial position at Philrootcrops, as advertised on VSU Jobs. Although my previous work experience has not been directly in utility or janitorial services, I am confident that my skills, strong work ethic, and dedication make me a suitable candidate for this role.

In my previous employment, I have worked as a Hatchery Technician at LGU Baybay, a Research Laborer at the Marine Laboratory, a Promodiser at Prince Baybay, and a construction worker at SPMI Hilapnitan and NOVO in Baybay. These roles have equipped me with valuable skills in maintaining cleanliness, organization, and attention to detail. I have consistently demonstrated a commitment to ensuring safe and orderly environments, qualities that I believe are essential for the position I am applying for.

I am eager to contribute my abilities and dedication to help maintain a clean, safe, and welcoming environment at Philrootcrops. I am confident that I can perform the required tasks effectively and support the goals of your institution.

Thank you for considering my application. I may be reached at **+63 936 825 08** or cyrvalenzona0615@gmail.com, and I look forward to the opportunity to discuss how I can contribute to your team.

Respectfully,

CYR V. VALENZONA
