Thank you for the opportunity to apply for the Instructor role at your school organization. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a hard-working professional who has been consistently praised as proactive by my coworkers and management. I graduated from Eastern Visayas State University with a degree of Bachelor of Secondary Education major in Biological Science. Currently studying for my master's degree in science education I am a licensed teacher and I also have a TEFL certificate. I have over 3 years of teaching experience in a classroom setting handling Biology to Junior high school and senior high school students. Throughout my 3-years career, I've developed a skill set directly relevant to the Science Teacher role you are hiring for, including classroom management, holistic learning, and human behavior and performance. Overall, I have consistently demonstrated interpersonal, multitasking, and creative thinking abilities in every aspect of my secondary science teacher role at CCL CENTREX and Department of Education. I invite you to review my detailed achievements in the attached resume.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at 09385076698 or via email at matheresacatayoc03@gmail.com to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Ma. Theresa Catayoc
