

Gerald Casundo

PLANT PROTECTION
(PLANT PATHOLOGY)

PROFILE

I am a fresh graduate at Visayas State University with the degree of Bachelor of Science in Agriculture. Major in Plant Protection, specializing Plant Pathology. I can function well both in a collaborative and individual setting. Furthermore, I am keen to learn something new that is outside of my current expertise and can adapt to the different working environment.

NOTABLE ACHIEVEMENT

Primary School- With Honor
Dean's Lister Award
Tertiary School- Cum laude

EDUCATION

Primary School

Caulisihan Elementary School
2005-2012

TESDA-Advance Computer Literacy Program

Eze LoGeek
2014

Secondary School

Bunga National High School
2012-2016

Senior High School-Crop and Animal Production

Visayas State University Senior High School
2016-2018

Online Courses-DOST Program

Coursera Inc.
2020-2021

BS in Agriculture- Plant Protection (Plant Pathology)

Visayas State University
2018-2022

EXPERTISE

- Basic Plant Pathological Practices
- Production of Organic Concoctions and Feeds
- Proficient in (MS word, Excell, and Powerpoint)
- Advance in Computer Literacy
