OBJECTIVE

To secure a position as a carpenter and be part of an exceptional establishment that boasts a great reputation and that prioritizes its commitment to the community.

WORK EXPERIENCE

08/2002 - 03/2003

Structural Fitter, Miescor Builders Inc., Isabel Leyte

Responsibilities:

- Weld components in flat, vertical, or overhead positions. Operate safety equipment and use safe work habits.
- Layout, position, align, and secure parts and assemblies prior to assembly, using straightedges, combination squares, calipers, and rulers.
- Examined workpieces for defects and measure workpieces with straightedges or templates to ensure conformance with specifications.
- Recognized, set up, and operate hand and power tools common to the welding trade, such as shielded metal arc and gas metal arc welding equipment.
- Welded separately or in combination, using aluminum, stainless steel, cast iron, and other alloys.
- Clamp, hold, tack-weld, heat-bend, grind or bolt component parts to obtain required configurations and positions for welding.
- Connected and turn regulator valves to activate and adjust gas flow and pressure so that desired flames are obtained.

09/2007 – 05/2013

Carpenter, GSD (General Service Development) , Visayas State University, Baybay City

Responsibilities:

- Constructing, repairing, installing and restoring doors, windows, walls, stairs, cabinets, roofs, shelves and floors
- Work from blueprints, drawings, sketches and design specifications
- Work in all areas of construction projects

06/2013 - Present
