## About me

As a licensed professional teacher and registered guidance counselor, I am committed to fostering students' holistic growth and well-being. I provide academic, personal, social, and career guidance through individualized counseling, structured programs, and developmental interventions. With a strong background in teaching and student services, I create a supportive environment that empowers learners to make informed decisions, develop resilience, and achieve their full potential both inside and outside the classroom.

## Experience

### School Administrator

June 2023 - Present

De La Salle Santiago Zobel School, Inc.

Overseeing global partnerships and student exchange programs, I work to expand international opportunities for our school community. In my dual role, I also lead efforts to strengthen external relations and secure strategic partnerships, driving growth and support for the Lasallian mission.

### Guidance Counselor

Jan 2020 - May 2023

De La Salle Santiago Zobel School, Inc.

As a guidance counselor, I provide comprehensive support to students, including academic advising, career planning, and personal counseling. I work closely with students to address their individual needs, promote their well-being, and facilitate their personal and academic growth. My role involves collaborating with educators and parents to create a supportive and effective learning environment.

### Assistant Principal

May 2018 - Dec 2019

Liceo De Buenavista, Inc.

As a school principal, I lead and manage the overall operations of the school, ensuring a positive learning environment, implementing educational strategies, and overseeing staff and student development to achieve academic excellence and school goals.

### Guidance Associate

May 2013 - April 2018

St. Paul's School

A Guidance Associate provides administrative and program support to the Guidance Office, assisting in the implementation of counseling, testing, and student development services. They help coordinate activities, maintain records, and ensure smooth delivery of guidance-related initiatives for students, parents, and faculty.
