JOEL Q. MABALHIN
Head, Department of Teacher Education
Visayas State University
Visca, Baybay City, Leyte

Sir:

Greetings!

I would like to express my sincere desire to be part of your institution.

I am Crisyl Saga Compendio, a graduate in Bachelor of Elementary Education from Visayas State University. At present time, I am studying at Leyte Normal University (LNU) taking Master of Arts in Pre-Elementary and having my thesis in "Playtime and Academic Achievement". That's why I do believe that I am eligible and qualified enough to be part for the position that I am applying for. I also have the skills and knowledge to become an effective and efficient teacher. In my practice teaching experiences, I had also applied different teaching styles and educational theories in my daily lessons. The fact that I had experience being a substitute teacher and a part-time instructor, I had the experience teaching in similar classrooms to the job I am applying for.

It is my privilege to vast my experiences and learnings through my positive contributions in your institution. Considering my above qualifications, I am anticipating your most favorable action to this application. Please don't hesitate to contact me anytime.

Thank you very much!

Sincerely yours,

CRISYL S. COMPENDIO
