To whom it may concern,

Good day!

I am Ritzelle Genosolanggo Lambo. I am writing to express my interest in the position of part time instructor at Department of Philosophy and Social Sciences. I am a graduate of Bachelor of Secondary Education Major in Social Studies at Visayas State University in Baybay, City Leyte last August 2022 and I passed the Licensure Examination for Professional Teachers on March 2023. I believe my degree and qualification make me an ideal fit for the job.

I am willing to render my time and service to impart my knowledge on the related social science courses to mold our learners and instill in them the importance of the program as they emerged in the bigger world ahead of them.

I formally work in the BPO industry at Cebu, City for 1 year and 7 months under Healthcare account processing authorizations for Medical equipment for our US based clients. My experience may not be in line my degree but I have associate myself in an environment where individual differences are visible and with my nature of work, I am able to gain experiences that I could use in teaching Social Sciences.

In my years in VSU, I have always dreamt to be part of the department since I have seen how culture and differences are being understood and valued. It is with great joy that I have given the opportunity to send this letter. I hope to speak with you soon and learn more about the opportunities for a part time instructor in your department. Being in the academe opens a great opportunity for me to both learn and impart the knowledge that I have gained over the years of study and with my skillset and determination, I believe I am fit for the position.

Sincerely,

Ritzelle G. Lambo
