One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 hours in a semester. Three hours of laboratory work each week of a total of 54 hours a semester are regarded as one unit of credit.

The semestral average grade of a student is computed by multiplying the grade earned by the corresponding unit/s assigned to a course and the product, as summarized, is divided by the total units earned for the semester.

The medium of instruction in this college is English.
