Birthdate: 07/11/1999

Detail-oriented Food Quality Control Specialist with hands-on experience in diverse food manufacturing environments. Skilled in production monitoring, defect reduction, and maintaining strict food safety and quality standards.

Professional Experience

July 2025 -
Present

Administrative Aide III

Visayas State University, VISCA, Baybay City, Leyte

- Takes charge in the maintenance and proper upkeep of the Records Room.
- Keeps a daily recording of all incoming/returned and outgoing/released records and files in the Records Room.
- Classifies, arranges, files and stores immediately and very carefully both active and inactive records and files.

May 2024 -
October 2024

Food Quality Controller

GANV Baked Innovations, Inc., Mandaue City, Cebu

- I ensured dough and bake quality consistency by performing hourly checks on dough temperature, hydration levels, elasticity, and proofing times, which resulted in a 95% consistency rate in loaf volume, crumb texture, and crust formation.
- I improved food safety and shelf-life integrity by verifying cooling procedures, monitoring packaging conditions, and enforcing allergen segregation protocols, which resulted in fewer than 0.5% of batches being flagged for contamination, foreign material, or premature staling.

September
2023 - May
2024

Food Quality Controller

Seven Dragons Food Galore Inc., Talisay City, Cebu

- I increased filling-quality accuracy by verifying meat temperature, portion weights, and moisture levels during production, which resulted in a 20% reduction in underfilled or overfilled meat buns.
- I improved fermentation and dough consistency by monitoring yeast activity, dough pH, and proofing humidity, which resulted in a 15% decrease in collapsed or unevenly risen bread and buns.

July 2022 -
September
2022

Food Quality Controller (OJT)

SUGBU ACS Food Manufacturing Corp., Naga City, Cebu

- I improved product quality consistency by performing batch-by-batch sensory and specification evaluations, which resulted in a 25% drop in customer complaints and strengthened brand reliability.
- Prepared daily QC reports, maintained batch records, and supported internal and third-party audits.

Education

July 2018 -
August 2023

Bachelor of Science in Food Technology

Visayas State University at Visca, Baybay City, Leyte

July 2012 -
