**DR. PROSE IVY G. YEPES**

President  
Visayas State University  
Visca, Baybay, Leyte

**THRU: DR. HARVIE P. PORTUGALIZA**

Dean of Faculty of Veterinary Medicine

Dear Dr. Yepes,

Warm greetings!

I am writing to express my strong interest in the Assistant Professor III position at the Faculty of Veterinary Medicine, Visayas State University, as advertised on the VSU job posting.

I earned my Doctor of Veterinary Medicine degree from Visayas State University in April 2016 and passed the Veterinary Medicine Licensure Examination that same year. In 2022, I completed my master's degree in Tropical Animal Health (Immunology) at the Institute of Tropical Medicine Antwerp, Belgium.

For the past eight years, I have been teaching at the Faculty of Veterinary Medicine. This experience, combined with my graduate studies and practical field exposure in various veterinary practices, along with participation in local and international seminars, has equipped me with the knowledge, skills, and abilities necessary to qualify as an Assistant Professor III.

Should you have any clarifications, please let me know. I am willing to come for an interview at any time at your convenience.

Respectfully yours,

  
JANE DAUTIL, DVM, MSTAH
