

Statement on Performance Rating Requirement

To Whom It May Concern,

I am Kyla A. Acero, a fresh graduate of Bachelor of Elementary Education from Visayas State University – Main Campus. As a first-time job seeker, I do not yet have an official employment performance rating.

In place of this requirement, I am respectfully submitting the Google Drive link to my Final Demonstration Rating Sheet from my practice teaching, in which I earned a score of 94.28 (Outstanding). This rating reflects my strong organizational skills, diligence in preparing and managing tasks, and ability to deliver quality work qualities that I believe are valuable for the position I am applying for.
