Dr. Prose Ivy G. Yepes

University President

Visayas State University

Visca, Baybay City, Leyte

Thru: Honey Sofia V. Colis
Director, HRMO

Dear Dr. Yepes:

Greetings!

I was able to know the need of pertinent faculty member for the Department of Mechanical Engineering through HRIS posting. I am interested and willing to apply for the position of Assistant Professor I of the said department.

I am Engr. Vic Angelo L. Impas, a graduate of MS in Mechanical Engineering from the University of San Carlos in the year 2023. I passed Mechanical Engineering board examination in the year 2015 and I took my BS degree at Eastern Visayas State University Tacloban City. Currently, I am connected to the Department of Mechanical Engineering of Visayas State University as a faculty and a Department Head. I started my academic career as a faculty in the said University in 2019 and it honed me to where I am now.

I am willing to undergo a teaching demo and interview that the institution may conduct during my application. I can be reached through my email account vicangelo.impas@vsu.edu.ph or thru my mobile number +63 920 415 1491.

Hoping for your favorable response. Thank you and God bless.

Sincerely,

ENGR. VIC ANGELO L. IMPAS, MSME
Applicant
