Code: VQZGHO

Dear Dr. Abela,

I am writing to express my interest in the part-time instructor position at Visayas State University under College of Teacher Education, as advertised on VSU HRIS with the code VQZGHO. With a strong background in teaching education and a passion for teaching, I am confident in my ability to contribute effectively to your academic team.

I hold a Bachelor of Elementary Education from Visayas State University, where I gained in-depth knowledge and developed the necessary skills to engage students in meaningful learning experiences. Over the past year, I have experienced in teaching during my On-The-Job Training, which has honed my ability to design and deliver engaging course materials that cater to diverse student needs. As an educator, I believe that teaching is a collaborative and transformative process that inspires students to reach their full potential. My primary goal is to create an inclusive and dynamic learning environment where students feel encouraged to explore, question, and apply knowledge in meaningful ways.

In my previous role at Southern Leyte State University as a Research Staff, I successfully achieved and meet the needs of the office where I am assigned. These experiences have strengthened my communication skills, adaptability, and commitment to academic excellence.

Sincerely,

SHAYLENE B. MANAPSAL
