**DR. LUZ G. ASIO**

Department Head

Department of Agronomy-Visayas State University

Baybay City, Leyte

Dear Dr. Asio:

A pleasant day Ma'am!

I am Shiela Mae T. Sarco who worked as a Part-time Instructor in your department last school year 2024-2025. I am informed that your department is again looking for a competitive Part-time Instructor for the 1<sup>st</sup> semester 2025-2026 hence, I am writing to express my interest to re-apply for the said position.

Working in the department was a great experience. Being surrounded with distinguished professors in research, dedicated educators and enthusiastic faculty have boosted my confidence and inspired me to work productively. For me, the working environment was exceptional and the opportunity to share my knowledge and skills to the students, as well as learn and relearn things has greatly contributed to my professional skills. Teaching is more fun if surrounded with great and supportive people. I believe that working with you has improved my character and skills, particularly my communication and interpersonal skills.

It would be a wonderful opportunity if you would allow me again to share my passion in agriculture and skills in teaching in your department.

Respectfully yours,

Shiela Mae T. Sarco
