Visayas State University
Pangasugan, Baybay City

To whom it may concern,

I am writing to express my interest in the Driver II position at Visayas State University, as advertised. With a strong background in driving and a proven track record, I believe I am an ideal candidate for this role.

My name is Christian Noel A. Cordova, and I bring with me three years of experience as a driver in the Department of Education (DepED) and an additional four years as a family driver in Manila. Throughout my driving career, I have consistently demonstrated a commitment to safety, punctuality, and professionalism.

In my previous role with DepED, I was responsible for transporting students, faculty, staff, and division personnel to various locations, ensuring their safety and well-being throughout the journeys. I am familiar with the protocols and regulations governing passenger transportation and am adept at maintaining a clean and well-maintained vehicle.

As a family driver in Manila, I gained valuable experience navigating through city traffic, managing complex routes, and providing exceptional service to high-profile individuals. My role required a high level of discretion, attention to detail, and a commitment to delivering a comfortable and secure driving experience.

I am confident that my skills, coupled with my dedication to safety and customer service, make me a strong candidate for the Driver II position at Visayas State University. I am well-versed in operating a variety of vehicles and am familiar with the road networks in the Visayas region.

I am excited about the opportunity to contribute to the transportation needs of Visayas State University and would welcome the chance to discuss how my skills and experiences align with your requirements. Thank you for considering my application. I look forward to the possibility of an interview to further discuss how I can contribute to the success of your team.

Sincerely,

Christian Noel A. Cordova
