Dear Ma'am/Sir,

Greetings!

I am writing to apply for the Faculty position at Visayas State University for Philosophy or any related subjects. I graduated with a degree in Philosophy from Xavier University - Ateneo de Cagayan also a former seminarian, and I am excited about the chance to bring my knowledge and passion for religious education and philosophy to your this school.

At Xavier University, I studied various areas of philosophy, such as ethics, metaphysics, and logic. I also have experience teaching and leading discussions, which has helped me develop skills in making complex ideas understandable and engaging for students.

I admire this school's focus on high-quality education and its supportive environment. I would love to be part of your team and contribute to the school's mission.

Thank you for considering my application. I look forward to discussing how my background and enthusiasm for teaching can benefit the school.

You can contact me through my email: [rjcatena4@gmail.com](mailto:rjcatena4@gmail.com) or using my contact number: 0948-701-5826.

It is a great joy and pleasure to apply in your school. Thank you for considering my application letter. I look forward to hearing from you soon.

Sincerely,

R-J CATENA
