RE: Application for Instructor I (Part-time)

Respected Ma'am,

Greetings!

I am writing this letter to show my interest to apply as a Part-time instructor in your prestigious department. I recently saw your advertisement on Facebook and I would like to grab this opportunity to build a career in this department.

I have done my Bachelor degree in Social Sciences major in Economics in UP Visayas Tacloban College and I have taken up some units (4 semesters) of the Juris Doctor program in PUP but was halted due to family and financial reasons. It is my goal this year to continue in part-time my graduate degree in Agricultural Economics to further my faculties and provide quality service to the stakeholders of this institution.

I was also a part time Instructor in SLSU-Hinunangan Campus under the Agribusiness program for two years until last year when I enrolled here as full time graduate student. I have attached my pertinent documents for your perusal.

Thank you in advance.

Sincerely Yours,

Rodel Louron
