The Hiring Committee
Department of Animal Science
College of Agriculture and Food Science
Visayas State University
Visca, Baybay City, Leyte

Dear Hiring Committee,

I am writing to apply for the part-time instructor position in the Department of Animal Science - Visayas State University.

I am a licensed Agriculturist and I have a Master of Science in Animal Science degree. I have many years of professional experience in the field of animal science, having previously worked as an Animal Nutritionist at General Milling Corporation and a Farm Officer at Primary Structures Corporation. During my time in these roles, I was responsible of providing the optimum animal nutrition by formulating balanced feed at the least-cost possible and assuring proper manpower and livestock management to ensure efficient flow of farm operation, respectively.

While I have no formal experience teaching in the academe, my deeper understanding of animal science and my several years of managing and guiding people in the farm, will make me an excellent instructor in the Department of Animal Science. I believe that my diverse experience in the field makes me the ideal candidate for this position.

I would be honored to join the Department of Animal Science and am confident that I can make a positive contribution to the institution. I look forward to discussing my qualifications in more detail and thank you for your consideration.

Sincerely,

Roy C. Limpangog
