Dr. Rev Rhizza L. Aure

Department Head

Department of Physics

College of Arts and Sciences

Visayas State University

Visca, Baybay City, Leyte, Philippines

Dear Dr. Aure,

Greetings!

I am writing to express my interest in putting into practice my learned theoretical and philosophical knowledge of teaching by gaining teaching experiences in my field of specialization. With that, I am applying for a Part-Time Instructor position in the Department of Physics at Visayas State University.

As a graduate last August 3, 2023 in Bachelor of Secondary Education Major in Science, Cum Laude with a Student Teaching Proficiency Award, who recently passed the March 2024 Licensure Examination for Teachers, I have earned the knowledge on the necessary skills suitable for the demands of the 21st-century students. I have been looking forward to exploring specific fields that I may find fitting for me that might be worth pursuing in the long run. With that, I believe I am ready for the challenge that comes with teaching content knowledge offered in the department.

I am hopeful for the opportunity to strengthen my teaching skills and pedagogy as I become a part of the team.

Thank you for considering my application and I am looking forward to discussing further details with you.

Sincerely

ANALIE O. SACEDON

Applicant
