PROFESSIONAL PROFILE

I am a Civil Engineer with 2 years of experience in the construction industry. I am now looking forward to a new career path in the academic field to broaden my knowledge and to improve my skills through learning under professionals, and to be able to contribute resourceful ideas for the school's improvement.

WORK EXPERIENCE

Science Research Assistant (June 2022-Present)

College of Engineering and Technology
Visayas State University

- Conducted as-built surveys, made floor plans, and inventory of CET rooms.

Project Engineer (October 2020-May 2022)
