Dear Hiring Committee,

I am writing to apply for the Permanent Mathematics Instructor position at Visayas State University, as advertised in your website. With my earned 30 units in Master's degree in Mathematics Education from MSU-Iligan Institute of Technology and a decade of experience in teaching Mathematics, I am eager to bring my passion for education and expertise to your esteemed science and technological institution.

Since commencing my career in education in 2011, I have continually refined my teaching approach to cultivate a stimulating learning environment. My academic journey at MSU-Iligan Institute of Technology provided me with a robust foundation in Mathematics Education, equipping me to effectively teach courses such as the core and major subjects of the BS Math and BSEd – Math programs.

In my current role at Cebu Technological University – Consolacion Campus as part-time mathematics instructor, I have developed and implemented engaging curricula that cater to diverse student needs and learning styles. I am adept at integrating technology and real-world applications into my teaching to enhance comprehension and enthusiasm for mathematics among students. Moreover, my commitment to fostering critical thinking and problem-solving skills has consistently resulted in improved academic outcomes for my students.

I am particularly drawn to Visayas State University due to its reputation for academic excellence and commitment to innovation in education. I am eager to contribute to your institution's mission by leveraging my teaching experience and dedication to student success. I am confident that my instructional skills, coupled with my passion for mathematics, will make a positive impact on the Mathematics Department and the broader university community.

Enclosed is my curriculum vitae, which provides additional details regarding my qualifications and professional experiences. I welcome the opportunity to discuss how my background and teaching philosophy align with the goals of Visayas State University. Thank you for considering my application. I look forward to the possibility of contributing to your Mathematics Department as a permanent mathematics instructor.

Warm regards,

Junn Ree B. Montilla, LPT, MSci Ed Math
