

## PROFILE

A dedicated and passionate Mathematics Teacher with a master's degree in education, specializing in Mathematics. With extensive teaching experience at both the secondary and tertiary levels, including as a Visiting Instructor at Southern Leyte State University (2020–present), I have taught a wide range of subjects such as Calculus, Linear Algebra, Abstract Algebra, and Modern Geometry.

I have a strong love for teaching and take pride in creating engaging lessons that inspire students to develop analytical and problem-solving skills. Known for my flexibility, diligence, and ability to work effectively under pressure, I am committed to fostering academic excellence, student success, and a positive learning environment.
