### GRADING SYSTEM:

| NUMERICAL RATING       | ADJECTIVAL RATING  | EQUIVALENT ALPHABETIC RATING |
|------------------------|--------------------|------------------------------|
| 1.00                   | Excellent          | A                            |
| 1.25                   | Highly Outstanding | A+                           |
| 1.50                   | Outstanding        | A-                           |
| 1.75                   | Very Good          | B                            |
| 2.00                   | Good               | B+                           |
| 2.25                   | Very Satisfactory  | B-                           |
| 2.50                   | Satisfactory       | C                            |
| 2.75                   | Fair               | C+                           |
| 3.00                   | Passing            | C-                           |
| 5.00                   | Failure            | F                            |
| S - Satisfactory       | Inc - Incomplete   |                              |
| U - Unsatisfactory     | DR - Dropped       |                              |
| Au - Audit (No credit) |                    |                              |

One unit of credit is one hour lecture or recitation or three hours of laboratory work, drafting or shop work each week for the period of a complete semester.

The semester average of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.
