

## DESIGN THINKING AND SUSTAINABLE ENTREPRENEUR COURSE IN THE VISIT ONLINE COMMUNITY

**This is to certify that**

**Alvin Dave Sarzate**

**has successfully completed the self-study module on  
Design Thinking and Sustainable Entrepreneur**

The Versatile Islands Cooperating for New Services and Innovation in Tourism (VISIT) project is an Erasmus+ Strategic Partnership project carried out by Laurea University of Applied Sciences in Finland, Kiel University of Applied Sciences in Germany, Sveučilište VERN' in Croatia, and Linnaeus University in Sweden.

VISIT develops existing and creates new innovative services with small and medium-sized enterprises on European islands to boost local regions together with businesses and students.

The certificate is awarded to a person who has carried out the studies offered in the VISIT online community. The online community provides a virtual co-working space for entrepreneurs, students, teachers, and others who are interested in developing tourism in Europe, and especially on European islands.

**The course includes two parts:**

- **Designing Thinking:** An online self-study course on how to design services.
- **How to become a Sustainable Entrepreneur:** Participants will gain a foundation on how to operate and develop their business in a more sustainable direction.
