MARIA HAZEL I. BELLEZAS

Department Head, Department of Economics
Visayas State University
Visca, Baybay City, Leyte

Dear Prof. Bellezas:

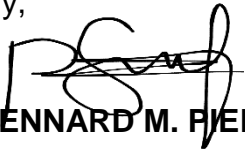

My name is Clef Lennard M. Piedraverde and I am writing to you for I have the desire to apply regarding the open position under the Department of Economics at Visayas State University. As a fresh graduate in Economics from Visayas State University, I have the necessary academic background to be a contributor in the institution.

My experience researching and writing my undergraduate thesis - "Effects of COVID-19 on Consumers' Online Shopping Behavior towards Skincare Products among Faculty and Staff of Visayas State University" has helped me develop the skills necessary for what instructor can do. Specifically, my experience has provided me with reading, communicating and writing skills you're looking for in your ideal candidate.

Also, I was a team-player during my college years as I've participated in various activities such as leadership trainings and community involvement programs. My experience will be my armor to mold my future students not just academically but socially, as I need so much learning also from them that I can take wherever I am in my future endeavors. As a fresh educator, I believe that instilling the importance of social involvement to the students plays a key role to their success and I am hoping you are going to give me a chance to put in to practice and to share to the students of your institution this thing I strongly believe in.

I look forward to discussing my candidacy with you in person or over the phone. Thank you for your time and kind consideration, Ma'am Bellezas.

Sincerely,
