# CHARLES JONE M. ROSALES

## Philosophy Graduate

### Profile

As a conceptual engineer, I am trained in the art of logical and critical thinking. I take pride in expressing the deepest sentiments of the human experience through skillful crafting of words. My voice lends color to the power of truth with eloquence. My love and faith for humanity reign supreme, evident in my humble altruistic actions known only to the Almighty. As a Philosophy Graduate of Bukidnon State University, I refuse to remain stagnant but aim to flourish in the momentum of my becoming, as existence grants me freedom to do so, leading towards becoming an inspiration for others.
