Good day!

I am JUNE PIERCE A. ORACION, a graduate of Bachelor of Science in Agriculture in the Visayas State University (VSU). I am applying for the vacant position of **ADMINISTRATIVE AIDE III POSITION (Clerk I)** at the **Finance Management Office** with job code: **TIUJWE**; and is very interested to be part of the team.

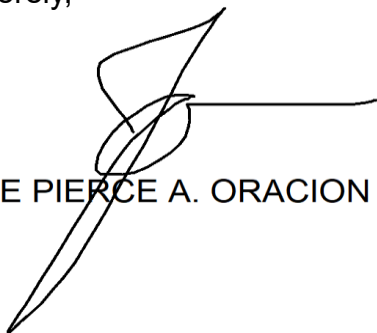

I have some experience working in and out of VSU Registrar's Office and some side jobs in various offices and companies. My background as a former computer science student gave me experience in data manipulation and encoding especially during enrolment periods, which is an addition to my skills. Despite my credibility, I have worked and interacted with various people of ranks. This in turn gave me the confidence, flexibility, and experience needed for this job.

I am computer savvy, well-organized, efficient, and can work well with a team. I can also work independently when needed with less supervision and can carry tasks with ease. I am very willing to learn new knowledge and skills, in order to fulfill the duties required to perform the job at hand. I have great confidence that I can play a vital role in the organization.

I am looking forward for the job, to be part of the team, and working with you.

Sincerely,

JUNE PIERCE A. ORACION
