Career Objective

- I am aiming to obtain a teaching position in relation to my chosen field of knowledge that will allow me to exhibit my education and skills in a way that is beneficial to the institution and myself. Granted this opportunity, it would be an excellent avenue to demonstrate my passion and dedication in imparting lessons to students.

Educational Attainment

- Bachelor of Arts in English Language
2019
Visayas State University

As an ABEL graduate, I was prepared to be an effective communicator in the oral and written English language even when facing a number of disturbances. I was also trained to analyze verbal and non-verbal cues to extract the meaning of utterances in a specific context.

Career Experience

- Part-time Instructor
Department of Liberal Arts and Behavioral Sciences
Visayas State University
August 2019 — February 2021

I learned from my one and a half years experience in VSU that I should be fluid and always ready for unforeseen variables that may come at anytime. I have found that planning for perfection, aided with being equipped for the unexpected, is an asset in the teaching profession. Furthermore, being firm as an authoritative figure in the classroom is necessary in commanding respect, but it is also necessary to connect with the students at a personal level.

Certificates for Non-Teaching Activities

- Judge
Oration Contest and Culmination Program
English and National Reading Month
2019
- Host
Various university and departmental events including VSU Intramurals 2019
