**MARISEL A. LEORNA**

*Director*

National Coconut Research Center

Visayas State University

Baybay City, Leyte

Dear Dr. Leorna,

I am writing to express my interest in a position at the National Coconut Research Center. I am currently an Assistant Professor I at Visayas State University with a Master of Science in Electrical Engineering degree and with over twelve years of teaching experience.

My expertise lies in automation, mechatronics, and microcontroller programming, which I believe can contribute to the center's research and development initiatives, particularly in advancing technologies for coconut production and processing. I am keen to support the Center in integrating smart systems and innovative solutions into agricultural practices.

I would be honored to be part of your team and contribute to its mission. I am available for an interview at your convenience and look forward to the opportunity to discuss how I can be of service.

Thank you for your time and consideration. I am very much willing to meet you about this employment opportunity in your most convenient time. I can be reached through this contact information: 0970-056-4340 and email at philipcaesar.ebit@vsu.edu.ph.

Respectfully,

**Philip Caesar L. Ebit**
