RECOMMENDATION

I wish to recommend MR. JUANITO M. RIVERA, JR. utility/messenger of the Department of Agricultural Education and Extension of more than 5 years for an Administrative 3/Utility 2 position. I have always known him to be an efficient, dependable, persevering, honest, and cooperative worker. We found him to be a conscientious and hardworking staff. He consistently performs his tasks with utmost dedication. In fact, I never have worked with a staff as passionate as he is in any tasks assigned to him. Also, I admired his willingness to take on special and difficult work assigned to him by the faculty of the department. His friendly personality allows him to work with everyone with remarkable patience and admirable tact.

I feel confident that you will agree that he is the most deserving candidate for the position.

Thank you very much.

Very truly yours,
