Dr. CHARIS B. LIMBO

Director
Institute of Human Kinetics
Visayas State Univeristy

Dear Ma'am Cha,

I am conveying this letter to define my willingness in the world of teaching. I am passionate and avid when it comes to imparting knowledge. I recently graduated Bachelor of Secondary Education major in MAPEH Music, Arts, Physical Education, and Health) at Visayas State University and I am also a LET Passer of September 2018 examination.

I can say that I possess all the attributes that a teacher should have and some of my skills are dancing, sketching, painting, choreographing and I am also a computer literate person that can embrace 21st-century learners. I will use my teaching strategies and classroom management which made me one of the nominees of best practice teacher. I am a National Certificate II (Food and Beverages Services) holder at Palermo Hotel Institute of Tourism and Hospitality that solely aspires to teach Technology and Livelihood Education subject.

Being a teacher is not just a profession to hold but also a big responsibility to be taken that's why I am recalibrating myself to think rationally and logically when it comes to teaching as my profession. My specialization needs to be taught to students so that I will be given the chance to hone and unleash their potential to the utmost degree. I'm humbly asking for your benevolence and wholehearted support by allowing me to practice my profession in your institution.

I am anticipating your affirmative response to this letter. Should you have concerns, you may contact me on this line 0918 737 5442.

Sincerely,

IRISH N. CATACUTAN
