Sir,

I, the undersigned is genuinely interested to apply as a part-time English language Instructor in the Visayas State University (VSU), after I learned from VSU's job portal that the said position is vacant in the Department of Liberal Arts and Behavioral Sciences.

I finished Bachelor of Secondary Education major in English at Palompon Institute of Technology (PIT) with Latin honors. Also, I am a Licensed Professional Teacher. I took the Licensure Examination for Teachers (LET) on September 29, 2019 shortly after I graduated from college in May. In order to foster my professional growth, I am continuously pursuing my post-graduate studies at PIT by means of online class, which is the mode of learning under the New Normal Education. My degree of concentration is the Master of Arts in Education major in English.

Apart from academics, I am a journalist. I used to be the Deputy Editor II of the PIT College Student Publication-Fulcrum. I participated various journalism seminar-trainings including the Regional Tertiary Schools Press Conference (RTSPC), where I bagged recognitions.

Further, I do not have a real-world teaching experience yet. Also, I understand that you require MA Degree holder, but still I am taking the chance knowing that by God's provision, I will obtain it in no time. The aforementioned are some of the reasons that I am humbly vying for the said teaching position. Competent as I am, I have been equipped with the practical knowledge and skills in my field of specialization that I could impart to the *Viscans*. I am holistically ready to serve the VSU community and be a catalyst in refining the young minds toward realizing the school's vision and mission.

I attached herewith the pertinent documents for your reference.

Should you consider that my credentials merit your standards, I am enthusiastic to begin my teaching journey in your premier state university.

Looking forward to hear words from you soon. Thank you!

Sincerely yours,

MARICAR M. LAUSE
