Director

National Coconut Research Center-Visayas

Visayas State University

VISCA, Baybay City, 6521 Leyte

Greetings Ma'am,

I, Giebert Lungay Montajes, a graduate of Bachelor of Science in Agribusiness from the Visayas State University, VISCA, Baybay City, Leyte, and a licensed agriculturist who passed the board exam last November 2022, would humbly apply for the Administrative Aide VI (Clerk III) position at the Visayas State University National Coconut Research Center.

My affiliations were of the City Government of Baybay in April 2015 wherein I was hired as a Job Order at the Human Resource Management Office (HRMO) while simultaneously assigned as a clerk at Plaridel Central School and, with a private employer in July 2017 as an Internal Inspector in an Organic Copra Project. Currently, I am connected to the Records and Archives Office of the Visayas State University as a clerk.

It would be a great opportunity to be able to serve the institution with integrity and to apply the experience and knowledge I gained should you consider my application.

Respectfully,

GIEBERT LUNGAY MONTAJES
