

## LETTER OF APOLOGY

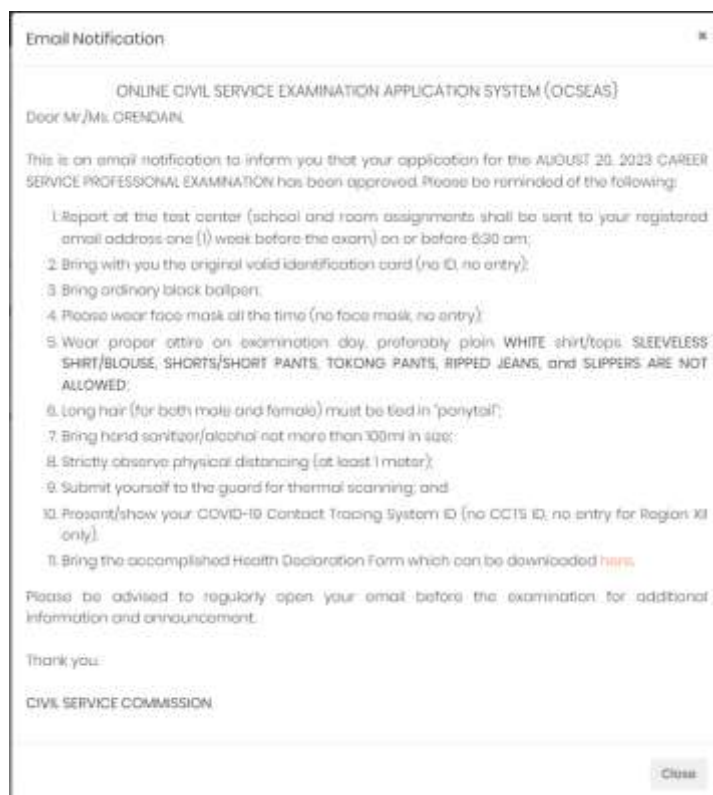

June 5, 2023

To whom it may concern,

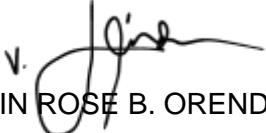

Good day! I would like to apologize for I could not submit any certificate of eligibility yet as a required document for my application as an instructor in DLABS, Visayas State University. However, my application at Civil Service Commission for Civil Service Professional Examination-Pen and Paper Test this August 20, 2023 has already been approved. Therefore, I am yet to take the exam this year.

I would appreciate your consideration. Thank you, and God bless!

Attached is a screenshot of my email confirmation.

Sincerely,

  
VIRGIN ROSE B. ORENDAIN
