Ma'am,

I had read from a reliable source that you are in need of applicants for the position as Instructor. I am determined to tackle the opportunity laid with the professional skills and work competence I have. I graduated Bachelor in Elementary Education last June 2023 with Academic Achiever from Eastern Visayas State University Burauen Campus. And passed the LET (Licensure examination for teachers) last march 2024.

I believe that my technical and communicative competence will be of good value in the service.

It will be an honor for me to be part of the School that will assuredly hone my administrative and technical skills. I will be please to come for an interview and will be available at 09630500593/ [vendelpilar18@gmail.com](mailto:vendelpilar18@gmail.com). I appreciate your time in reviewing my application.

God Bless us and more power.

Cordially yours,
