DR. SHALOM GRACE C. SUGANO

Principal
Integrated High School
Visayas State University

MADAM:

I am writing to express my interest in the job offering as Instructor I in your school. I have seen your job posting in your Facebook page and I would like to grab the opportunity and apply.

I am a graduate of **Bachelor of Secondary Education major in Physical Science** from Silliman University, a university that envisions quality Christian education through hands-on experiences in 5 venues: the classroom, the Church, the cultural center, the (athletic) court, and the community.

I believe that your school offers me a working environment that would further develop my skills as a young professional in the field of education. I hope to work in a school that I share the same mission with which is to deliver excellent instruction and develop highly competent learners that would contribute to the development of the country. I am all for the welfare of the learners and the importance of seeking continuous professional growth to improve myself in this profession.

My two-year work experience as a **Special Science Teacher** in Baybay City Senior High School surely prepared me with the position that I am applying for. I would love to discuss with you about my previous experiences. For queries regarding my background, please call me at 0917 573 7157 / 0963 2656 191 or reach me at maryangelicavillocino@gmail.com.

Thank you.

Respectfully,

MARY ANGELICA A. VILLOCINO
