Dr. Jett C. Quebec  
Department Head  
Department of Liberal Arts and Behavioral Sciences  
Visayas State University  
Visca, Baybay City, Leyte

Dearest Sir/ Madam,

I was excited when Mr. Derek Alviola informed me about the opening in your department. As a pioneer Instructor and SHS Coordinator in one of the private-catholic schools in Tacloban City, I would love to be a part of the Visayas State University and be of help in achieving its mission to provide excellent instruction, conduct relevant research, and foster community engagement.

With the influence of the University of the Philippines, my alma mater, honor and excellence became my core values. I became a person that values the importance of integrity while providing beyond what is expected to anything that I do which was seen evidently even during my first two jobs as English Language and Literature faculty member and SHS Head of St. Therese Christian Development Center Foundation Inc. and in National University – Asia Pacific College where I was a faculty member too and one of the lead content creators of the online class modules in Literature and Oral Communication.

In pursuit of excellence, I decided to move to Manila to start my graduate studies at the Ateneo de Manila University where I am currently taking my MA in English Language and Literature Teaching. When my contract ended this month and with an ongoing pandemic, I decided to return to Leyte.

I may have been teaching for four years already but still, I know that there are things that I need to improve on. However, I can assure you that I can be the instructor that you need by upholding the values of your institution and doing the best I can to empower your students to be critical thinkers and to develop them to be ready for the real world.

I am looking forward to hearing from you about my application. You can call contact me through 09158887255 or [negradas.rouvinn@obf.ateneo.edu](mailto:negradas.rouvinn@obf.ateneo.edu).

Thank you for your time.

Respectfully yours,  
Rouvinn Uy Negradas, LPT
