Dear Dr. Gacutan,

My name is **Domilito V. Bautista**, and I have seen in the Facebook page of Department of Animal Science- VSU that they are in need of a Part-time Instructor in Animal Science. I am writing this because I am very much willing to apply for that said position.

I am a Licensed Agriculturist by profession and a Career Service Professional Eligible. I am currently pursuing my Master of Science in Animal Science, Minor in Agricultural Extension at Visayas State University.

As a graduate student of Visayas State University, I have developed and enhanced my researching and writing skills as well as my professional communication skills which I believe would be very beneficial and applicable in the University.

Thank you very much for your valuable time and consideration. I would be very happy to have an interview with you and you can contact me through my email dvbautista1994@gmail.com and my phone (0946) 011 9195.

Yours truly,

DOMILITO V. BAUTISTA
