**REV RHIZZA L. AURE, PhD.**

Department Head

Department of Physics

Visca, Baybay City, Leyte

**Subject: Job Application for Teaching Position**

Respected Head:

Good day!

I am Cara Luz Buar, a graduate of Master of Arts in Science Education Major in Physics, in University of San Carlos-Talamban, Cebu City with 18 units of Master of Education in Chemistry at Visayas State University-Main Campus. I graduated as *Cum Laude* with a degree of Bachelor in Secondary Education Major in Physical Sciences in the same university. I am interested in applying for a teaching position in your institution.

I have acquired 4 years of teaching experience in Visayas State University; 2 years and 1 semester designated as Instructor I (Substitute), and 1 year as part-time instructor in your department, including 1 semester as part-time instructor in the Department of Teacher Education. I have taught college and senior high school students while honing my interest in educational research. I am also hardworking and persistent in getting things done to achieve goals and objectives.

Hoping for a positive response. Thank you and God Bless.

Respectfully yours,

**CARA LUZ BUAR, LPT., MA.**
