Good day!

I would like to apply for the position of Part-Time Instructor in your respective institution particularly in the DEPARTMENT OF PHILOSOPHY AND SOCIAL SCIENCES. I have been teaching for 6 years now with teaching experiences from both the secondary and tertiary levels. I am currently connected with Cebu Doctors' University teaching general education subjects and political science subjects through our AB International Studies program. I am expressing my desire to work in this institution because firstly, Visayan State University is known to be an institution that holds academic excellence where I believe can also contribute to my own career development, second, I looking for a work environment that is good for my well-being, and lastly, I would like, in the future be a permanent instructor in this institution and I believe this is just but the first step in that path.

Attached to this email, are the documents needed for my application.

I am hoping to hear from you soon.

Thank you and more power!

Sincerely,

Giovanni Pierro C. Malitao, Jr., LPT, MPA, MAPS
