A woman with high regards for your institution, and with earnest desire to serve in capacity, is applying for a teacher position in your school.

I graduated at Franciscan College of the Immaculate Conception with the degree of Bachelor in Secondary Education Major in Filipino. I already passed the Licensure Examination for Teachers (LET) last September 2022 at Tacloban City, Leyte and NCII holder for HOUSEKEEPING in Technical Education and Skills Development Authority (TESDA) at Palermo Hotel Baybay City, Leyte. I also done with my Master's Degree Comprehensive Examination in Franciscan College of the Immaculate Conception and joined different organizations and seminars in and out of the school that helped to develop my leadership and self-confidence. I have student-teaching experience on the eight-grade, ninth-grade and tenth-grade level in both private and public school districts. I also have experienced teaching catechism in Baybay Church. I also have experienced working as a TESDA liaison and DepEd liaison officer in Acedilla Technological Institute for almost 2yrs.

I believe my experience and passion for community engagement makes me an ideal candidate for a teacher position at your school. I am passionate about the importance of education and I am extremely proud to be part of this noble profession.

If you think I met the qualifications you need, I am very much willing to come for an interview at your most convenience time.

Thank you very much and I'll wait for your favorable response.

Sincerely,

CHRISLAR TERO DE VEYRA
