Dear Ma'am/Sir,

Good day!

I am writing to express my interest in the **Part-Time Instructor** position at **Visayas State University**, specifically under the **Institute of Human Kinetics**. As a fresh graduate of **Bachelor of Physical Education** from this institution, I am excited for the opportunity to give back and grow professionally within the university that shaped me.

During my fourth year in college, I completed my **On-the-Job Training (OJT) at Caridad National High School**, where I gained practical teaching experience, handled class discussions, and facilitated various physical education activities. These experiences developed my ability to communicate effectively, manage learners, and adapt teaching methods to suit student needs.

I am highly motivated to join your team and contribute to the department's mission in promoting physical education and healthy lifestyles. I am confident that my passion for teaching, combined with my familiarity with the university's values and academic environment, make me a suitable candidate for the role.

Attached is my resume for your review. I would be honored to discuss further how I can be of service to your department. I am available at your convenience and can be reached at 09385990386 or via email at [torremochaangela111@gmail.com](mailto:torremochaangela111@gmail.com).

Thank you very much for your time and consideration.

Warm regards,

**Angela M. Torremocha**
