

Dear Ma'am/Sir,

I was informed by Ms. Julissah Evangelio that your department is looking for a part-time teacher this school year.

I am a new graduate of Eastern Visayas State University (BS Education Major in Physical Education) and am preparing to take the license exam.

I am believe that I can perform the duties of an educator because of my experience as a practice teacher intern.

I would like to be considered for this position.

Sincerely,

Kyle C. Agarcio
