Greetings!

I am writing to express my interest in applying for the position of part-time Instructor at the Department of Food Science and Technology (DFST), Visayas State University.

I most recently worked as part-time Instructor at the DFST last 1st semester (SY 2024-2025) and during the 2nd semester of SY 2022-2023 and SY 2020-2021. Prior to that, I worked as an Instructor at the Tarlac Agricultural University, Camiling, Tarlac for 4 years (2014-2018). While at TAU, I was also designated as Assistant Director for Rootcrops Research and Training Center for 2 years (2016-2018) and as Project In-Charge for rootcrops processing. All these experiences improved my instruction and project management skills. Additional qualifications, experience and skills can be found in my accompanying Curriculum Vitae.

I am looking forward to hearing from you about this application. Please feel free to call or text my mobile phone number +639233965800 and/or reach me at alginvalida50@gmail.com.
