Ma'am:

A person with an interest to serve is applying as a part-time instructor in the **Institute of Human Kinetics at VSU Baybay**.

I am a graduate of **Bachelor of Secondary Education major in MAPEH** at the Visayas State University – Main Campus on July 2017. I passed the Licensure Examination for Teachers (LET) on September, 2018 with a rating of **80.20%**.

As a teacher, I hope to motivate students in recognizing their inner strengths and abilities and discovering what truly inspires them. I aim to provide a stimulating learning environment that makes learning more meaningful and fun. I encourage the students' to be active and participative in order for them to establish their confidence and help realize their full potential.

I would be an asset to your institution and would love the opportunity to assist in the development and progression of your students' learning. I am willing to work and bring my knowledge, skills and commitment.

Should you find my qualifications adequate, I am willing to come for an interview at your most convenient time.

Thank you very much and hoping for your favorable response.

Respectfully yours,
