MR. DHENBER C. LUSANTA

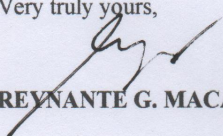

Ecological Farm and Resource Management Institute
Visayas State University
Visca, Baybay City, Leyte

Dear Sir,

I would like to apply for Science Research Assistant in the Ecological Farm and Resource Management Institute for I am interested to occupy this position. I finished Bachelor of Science in Agriculture major in Soil Science at Visayas State University (VSU). My undergraduate thesis dealt with the beneficial effects of mudpress char on mine soil. I had also worked at the National Abaca Research Center analytical laboratory as a Science Research Assistant. The nature of my work at the center tackled with reformulation of raw materials for improved vermicast quality. I also conducted several field trials looking at the efficacy of vermicast on vegetable production. I also performed the laboratory analysis of vermicast, soil, and plant tissue samples and crafted reports for the project. As such, I am confident that I am qualified for the said position needed in your department.

I am hoping for your positive response on this matter.

Very truly yours,

REYNANTE G. MACAPANAS
